

# THE DECISION GAME

GREAT DECISIONS → RIGHT ACTIONS → RESULTS YOU WANT

**Mastery of The Decision Game enables leaders to:**

1. Take the right actions
2. Achieve the results you want
3. Sustain organizational success
4. Make optimal decisions

**In this lively, interactive online workshop, learn how to:**

- » Prioritize critical issues you need to resolve
- » Optimally resolve longstanding problems plaguing your organization
- » Make evidence-based decisions without sacrificing subjective thinking
- » Get maximum benefit from the talents of your leadership team

**The Decision Game is based on two unique proprietary models:**

***“The Issue Resolution Process” and “The Elements of Context”***

- » Learn how you and your team can easily master these two models to establish the foundation of your team’s optimal decision making.
